It is recommended that twelve Survey nos of out of the lands resumed from the private chattram at Ariyamangalam may be given to the two temples.
In the case of Sri Satyanarayanaswami temple at Thiruvur it is reported that the institution has already an income of Rs 215 a year and once before an additional Cash Grant of Rs 72 was recommended so that it was then thought an income of 215+72 = 287 a year would be ample. It is now recommended that six survey nos: from which an income of Rs 159 is being derived, maybe given.
In the case of another institution viz the Sri Venkata-ramanaswami temple, there is no info about its present income & expenditure, though six survey nos yielding an income of Rs 90 are proposed to be allotted.

SIR,

Subject:- Grant of some lands out of the reserved I am lands on the Devadurga, Irivur Taluk, to the Sri Satyanarayana and Sri Venkataramana temples at Irivur.

Adverting to your letter No.610, dated 10th September 1932 in the matter of the above temples, I have the honor to forward herewith copies of Chitaldrug District Deputy Commissioner's letters No. AB.772/32-3 dated 5th September 1932 and 19th October 1932 on the subject as follows.-

2. The Sri Satyanarayana Swamy temple at Irivur is a religious institution with an annual income of Rs.1,000/-. The temple which was built by Pancha Brahmins of Irivur has been under Government management from the year 1875 (Order No.36-8/ dated 4-7-75). In a representation made by the founder some financial assistance from Government was requested for which we made to Government in this office letter dated 1st Dec 1930 for a grant of Rs.1/- I enclose out of the Devadurga lands. Government, however, in their letter dated 5th [illegible] stated that it was not desirable to [illegible] Government (under [illegible] lands of defunct institutions.

3. The Sri Venkataramanaswami temple, a village Muzrai institution at Mirjur is an ancient and historic temple possessing no sufficient resources for its maintenance. It is stated that the institution is popular, but is languishing for want of financial support.

4. The Deputy Commissioner recommends that both the above institutions deserve assistance and that some of the lands out of the Inam lands resumed from the private chatram at Iyamangala in accordance with the G.O. No.626-29 R/.71-30-2 dated 17th September 1930 may be transferred to the above-said institutions. He therefore proposed that the 12 Survey Nos. in Maradidevr gere village, in the same taluk may be granted to the two institutions in question as noted in the margin and that the tenure of the lands may be altered from Dharmadaya into Devadaya. The lands are said to be not very fertile.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.A5.372/30-31 dated 9-9-32 from the Deputy Commissioner, Chitaldrug District, to the Muzrai Commissioner in Mysore.

With reference to your letter No.R.D.242/30-31 dated 6th January 1932 calling for proposals for the grant of some lands out of the resumed inam lands of the Chatram at Iyamangala, Hiriyur Taluk, to Sri Satyanarayanaswami temple at Hiriyur for its maintenance, I have the honor to submit proposals for the disposal of some of the inam lands to the marginally noted Muzrai

Sri Satyanarayanaswami temple at Hiriyur.)	Institutions.
" Venkataramanaswami temple at Hiriyur.)	

Of these the first one is a minor Muzrai Institution with an annual income of Rs.215/-. The temple which was built by Pandit Srinivasarao and was taken under Government management with all its endowments (vide G.O. No.36-8/Muz.332-09-7 dated 4th July 1913) When the founder of the institution approached Government for financial assistance the Muzrai Commissioner had made a recommendation for a grant of Rs.6/- per mensem out of Chatram Savings Fund. Government replied in their letter No.616/Muz.72-27-2 dated 10th September 1928 that it is not desirable to divert Chatram Savings Fund for new grants to temples, that in case any assistance to the temple in question is to be given it may be done only in accordance with G.O. No.1769-2/Muz.49-28-2 dated 1st March 1928 from the reserved lands of defunct institutions.

The institution is an important one serving the spiritual needs of the people. Both the Amildar and the Sub Division Officer report that the institution is deserving of help and that some of the lands out of the inam lands resumed from the private chatram at Iyamangala may be given.

Further they report that Sri Venkataramanaswami temple, a village Muzrai institution which has less resources is in need of help. It is a very ancient temple. They recommend that some lands may be given for its maintenance.

Both the temples are situated in the same taluk where the inam lands are situated. Sri Satyanarayanaswami temple is supported by endowments made by private persons.

The inam lands which are resumed from the private chatram are situated in Maradidevigere and Dharmpur villages in Hiriyur Taluk. The Sub Divisional Officer proposes that 13 S.Nos. of Maradidevigere village may be given the temples. I therefore recommend that inam lands as noted in the --

margir may be granted to each institution. The tenure of the inam lands may be altered from Dharmadaya into Devadaya. The lands are all dry and not very fertile. The average income from these are expected to be Rs 101/- and Rs 65/- per year respectively. The lands situated in Pharmpur are reserved for similar grants in deserving cases that might arise in future.

The records received with Chitaldrug Sub Division Officer's Memo No.R1.3.1390 P.594/30-31 dated 27th June 1932 are herein enclosed for reference and return.

Subject:- Re: grant of some lands out of the resumed inam lands of the chatram at Immangala, Hiriyur Taluk, to Sri Satyanarayanaswami and Sri Venkataramanaswami temples at Hiriyur.

With reference to your letter No.P.C.242/31-32 dated 23-9-32 calling for certain information on the above subject I have the honor to state that all the conditions for allowing new grants are being fulfilled in the case of Sri Venkataramanaswami temple. The institution is popular but no financial support is being given by the people interested for the maintenance and improvement of the temple. This temple, which is now languishing for want of finance support is ascertained to be an ancient and historic temple and therefore deserves the assistance now recommended. It has an annual cash grant of Rs14-8-0 and an additional grant of Rs45/- from Chatram Savings Fund.

The lands may be granted as recommended in this office No.A5.772/30-31 dated 9-9-32. The records received with Chitaldrug Sub Division Officer's No. R1.C.1360/30-31 dated 13-10-32 are herein enclosed for reference and return when done with.
